

FISCAL NOTE

HB 2182 - SB 2312

April 2, 2007

SUMMARY OF BILL: Authorizes the Board of Dentistry to administer portions of the coronal polishing certification examination for registered dental assistants online. The number of dental hygienists that can work for a dentist under general supervision is increased from three to four.

ESTIMATED FISCAL IMPACT:

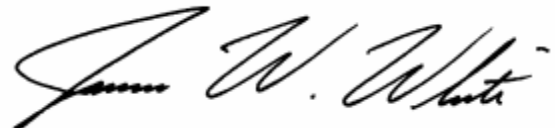

Increase State Revenues – Not Significant
Increase State Expenditures – Not Significant

Assumptions:

- Should the Board of Dentistry offer the didactic portion of the coronal polishing certification examination online, this would result in a not significant increase in exam expenses.
- The Board would increase the coronal polishing examination fee to increase revenues to cover the additional board expenditures.
- All health related boards, by statute, are self-supporting such that revenues equal expenditures.
